POM Gallery

**100**

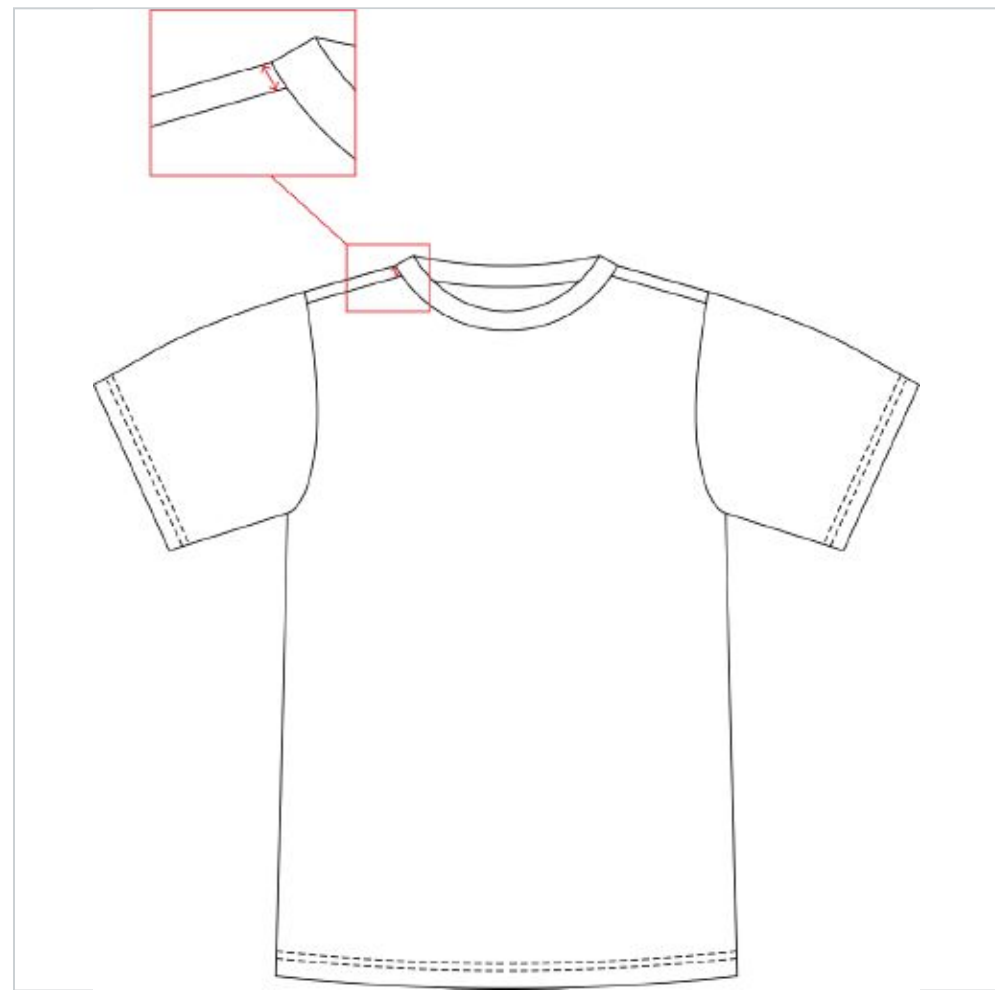

How To Measure: Place garment with front facing up. Measure straight from HPS at neck seam to bottom edge of garment.  
Description: Front Length from HPS - Seam

**300**

How To Measure: Place garment with back facing up. Measure straight from HPS at neck seam to bottom edge of garment.  
Description: Back Length from HPS - Seam

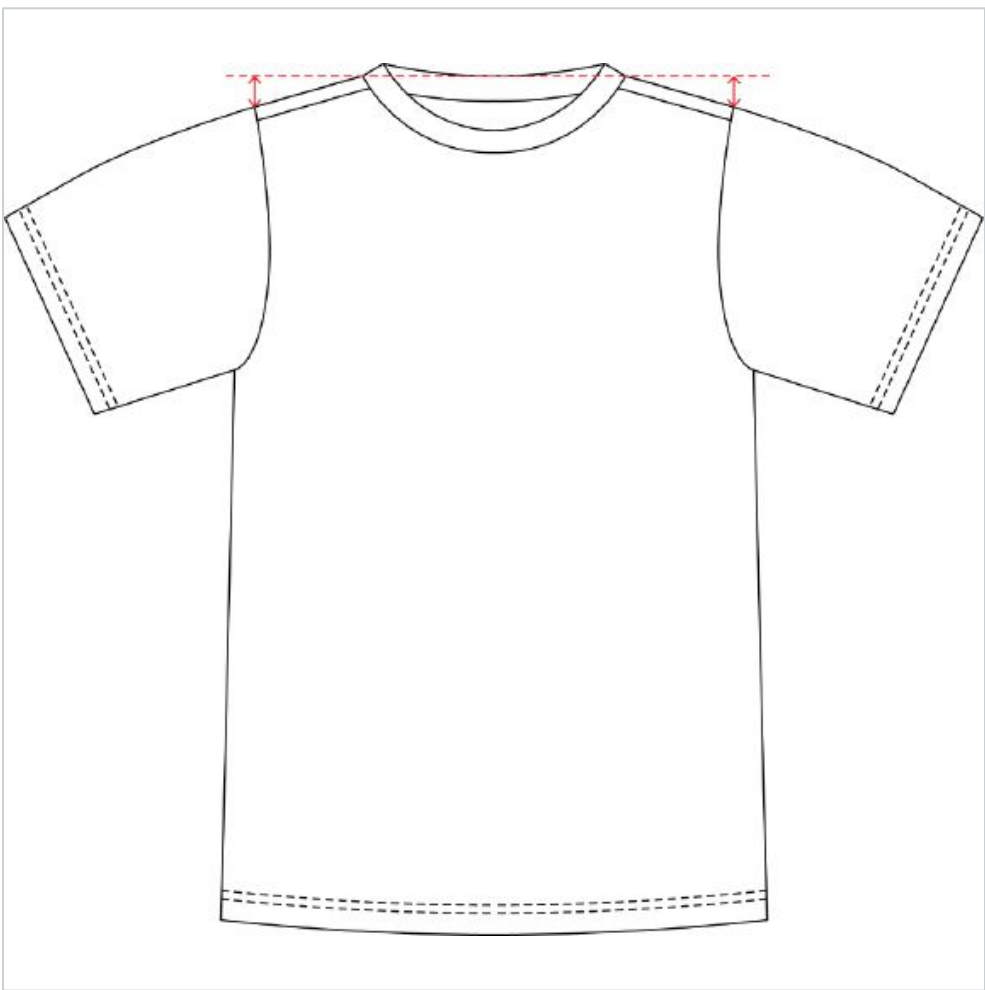

POM Gallery

001

How To Measure: Place garment with front facing up. Measure shoulder seam distance from HPS.

Description: Shoulder Seam Forward

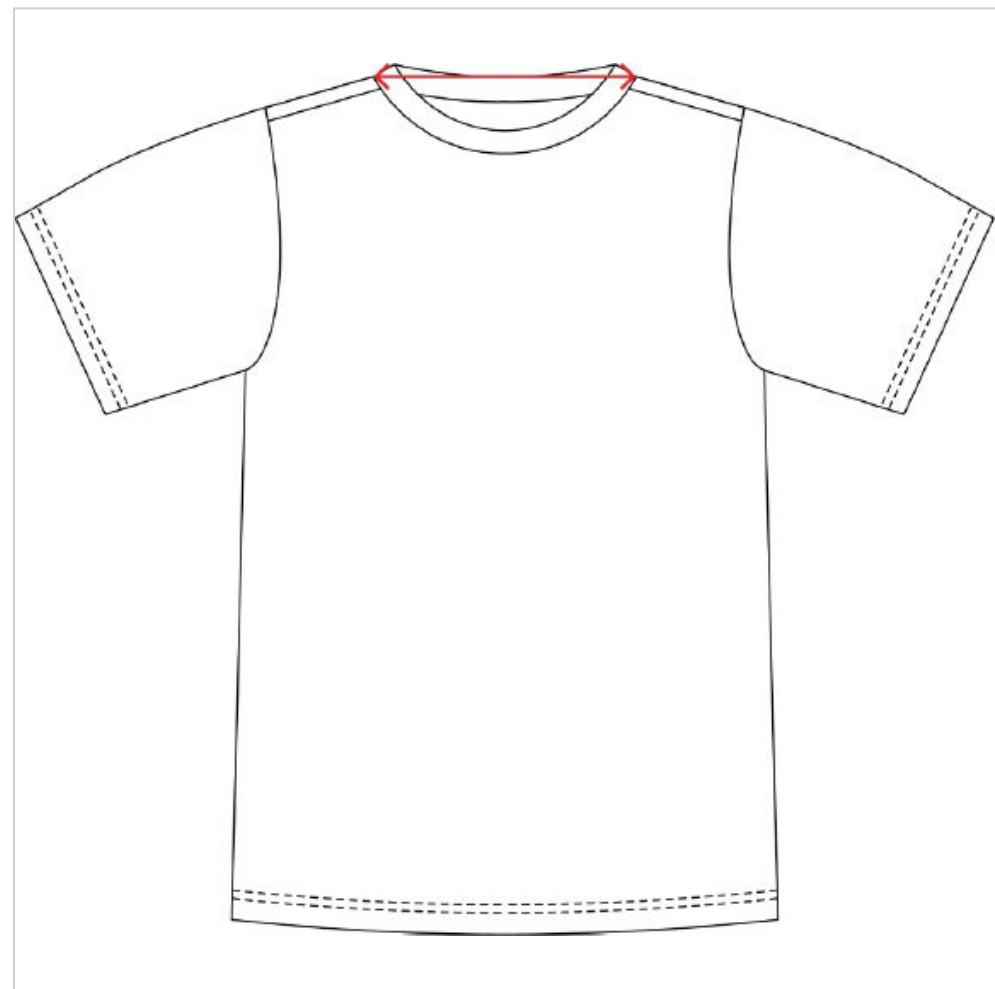

002

How To Measure: Place the garment front facing up. Place a clear ruler on or behind garment, aligning ruler top edge with HPS on both sides of garment. Measure from top of ruler down to shoulder at armhole.

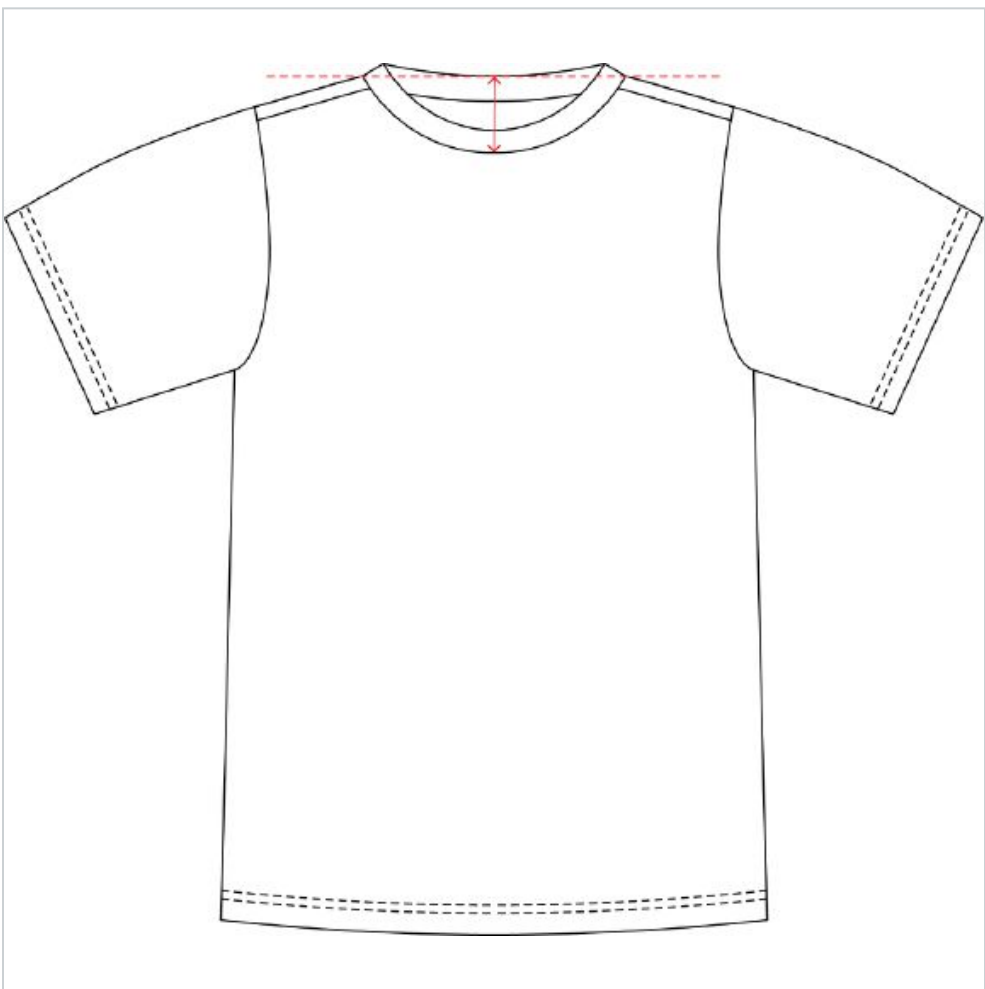

Description: Shoulder Slope

POM Gallery

003

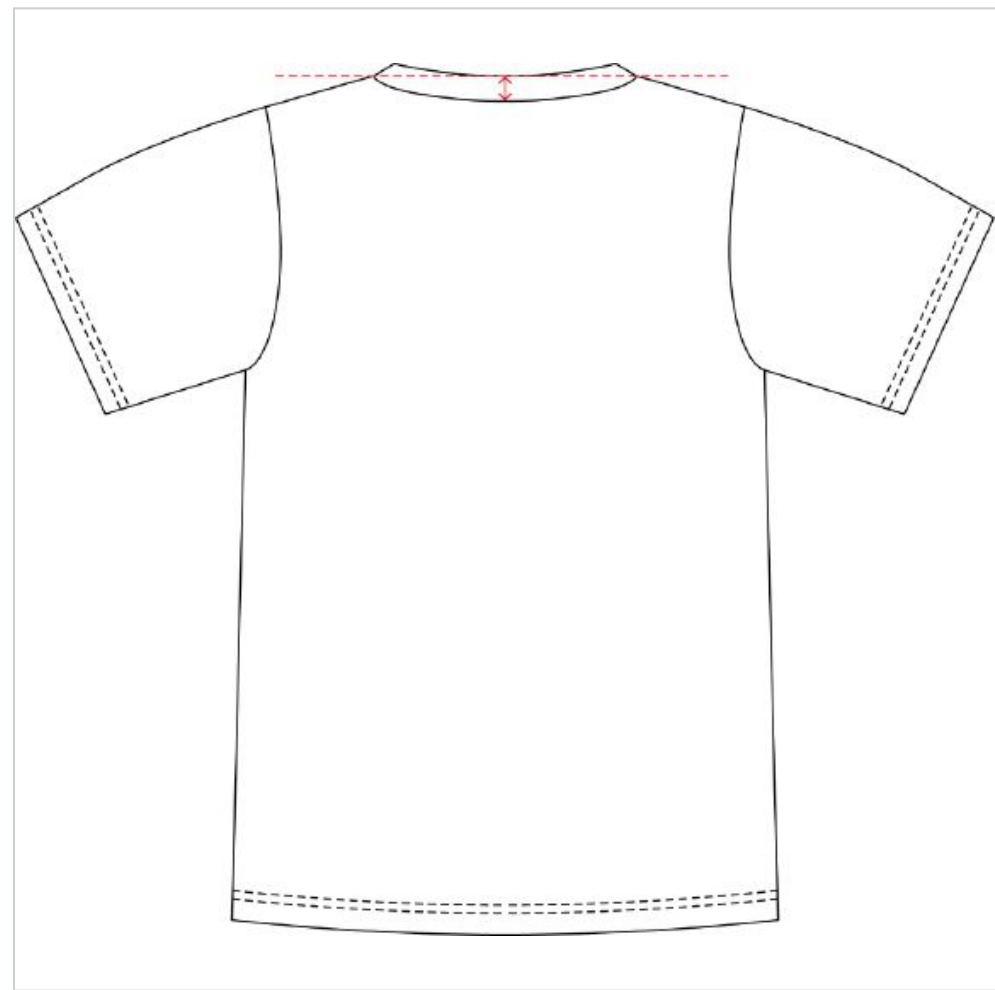

How To Measure: Place garment with front facing up. Measure from HPS at neck seam straight to opposite HPS at neck seam.  
Description: Neck Width - Seam to Seam

004

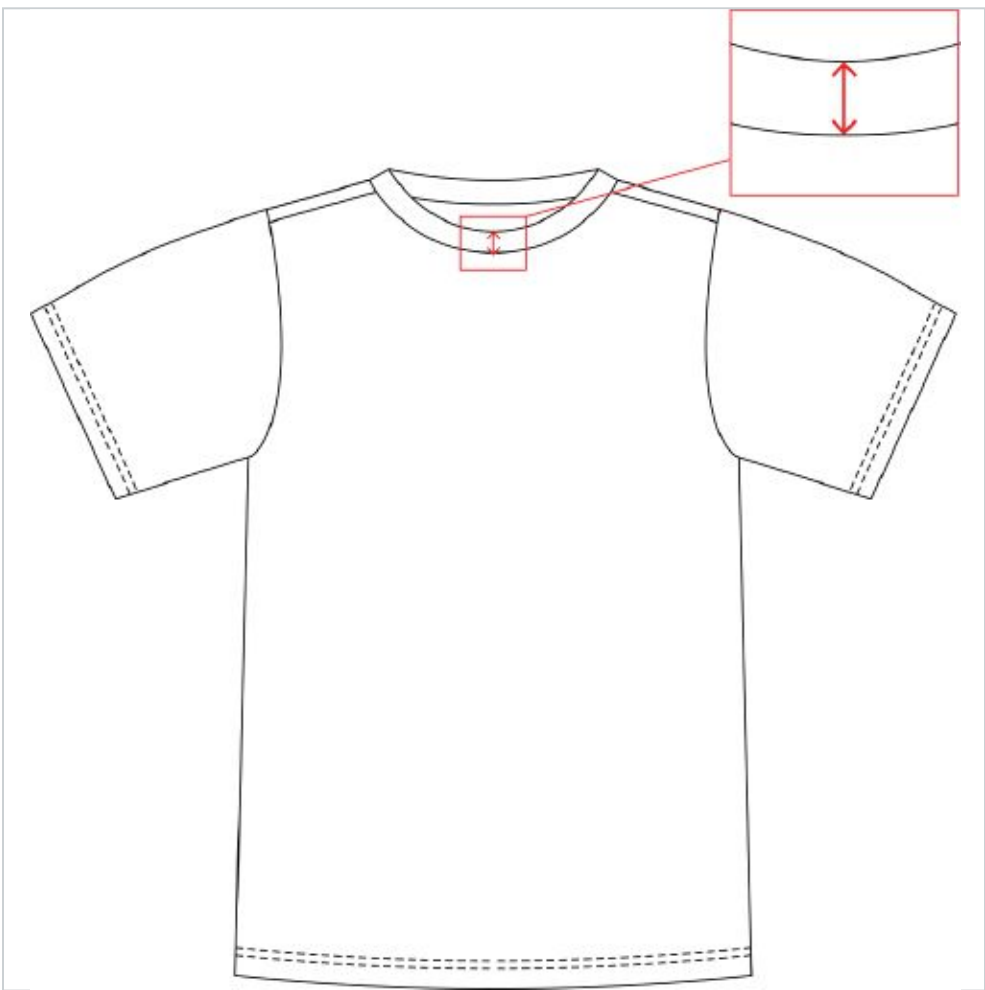

How To Measure: Place garment with front facing up. Measure from HPS at neck seam straight down to CF neck seam.  
Description: Front Neck Depth - HPS to Seam

POM Gallery

304

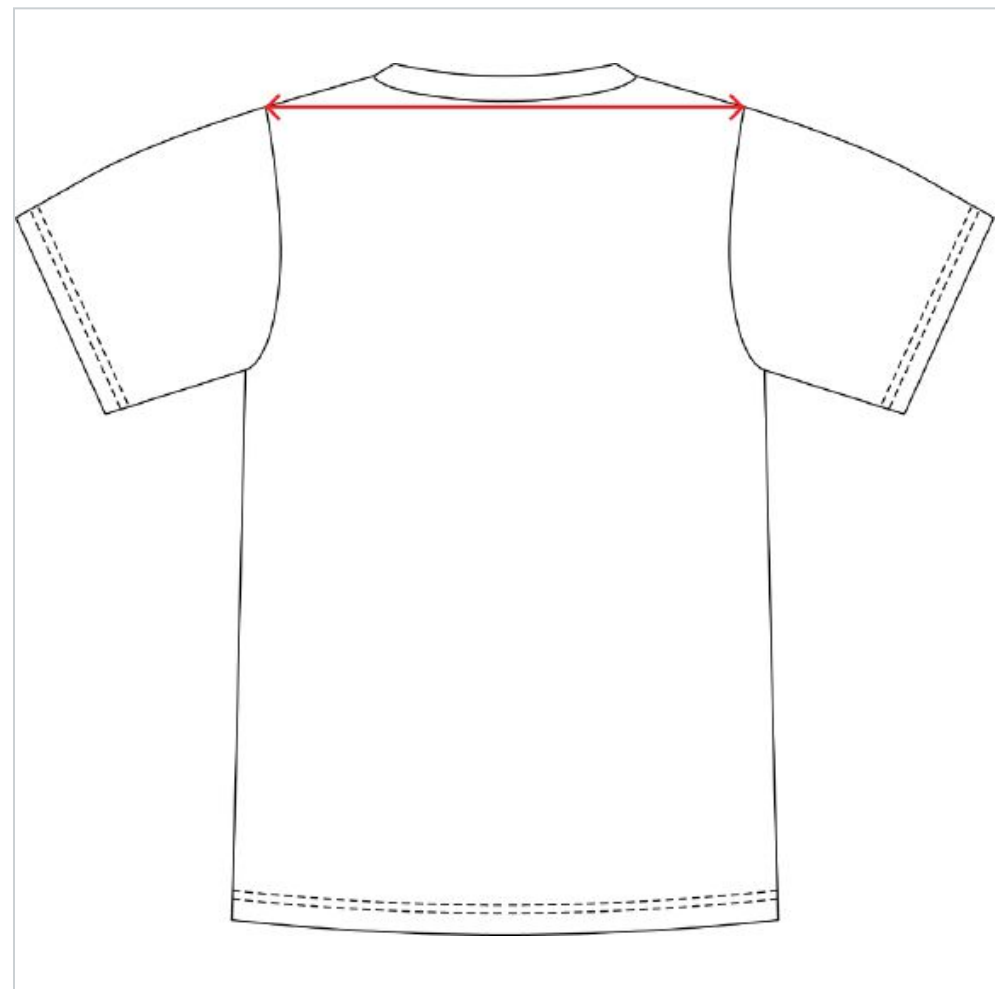

How To Measure: Place garment with back facing up. Measure from HPS at neck seam straight down to CB neck seam. Measure from front of garment if possible due to neckline styling to avoid flipping garment.  
Description: Back Neck Depth - HPS to Seam

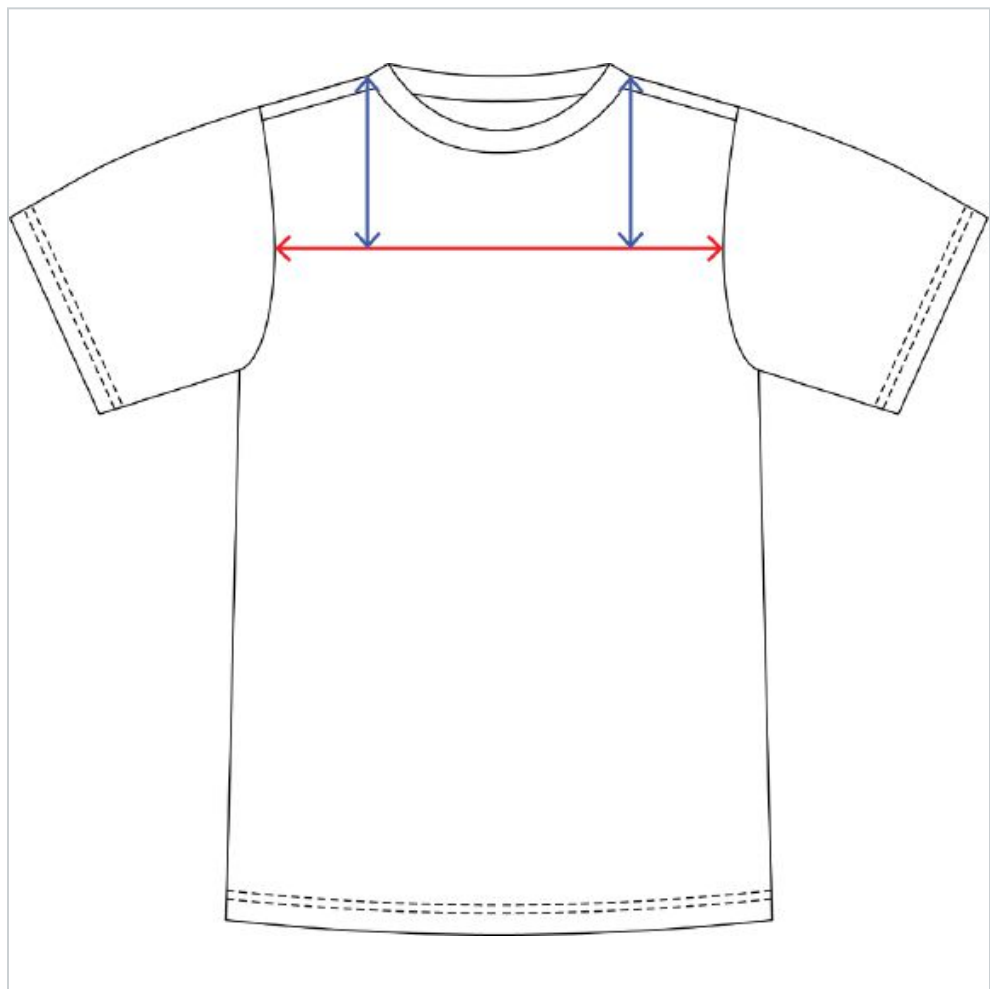

400

How To Measure: Measure from neck seam to outside edge of neckband.  
Description: Neckband Width

POM Gallery

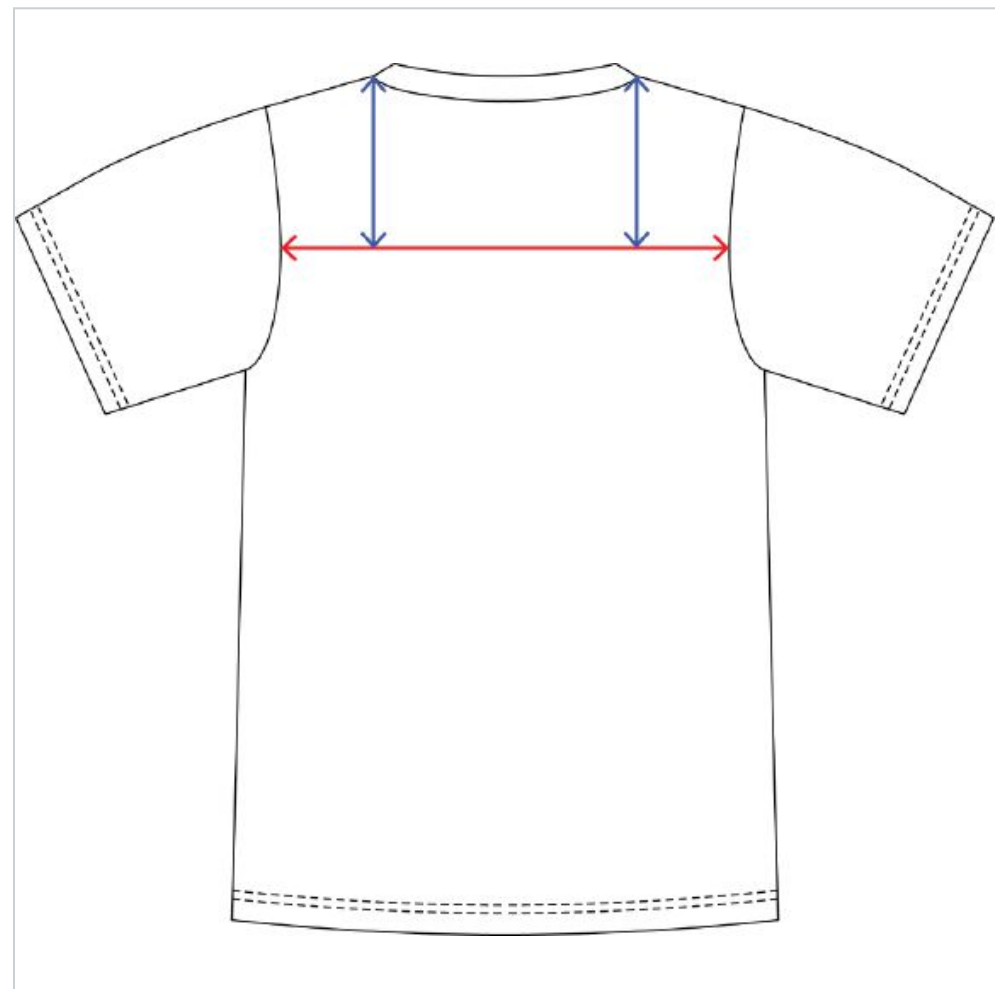

**310**  
How To Measure: Place garment with back facing up. Measure from shoulder at armhole seam straight across to opposite shoulder at armhole seam.  
Description: Across Shoulder - Seam to Seam

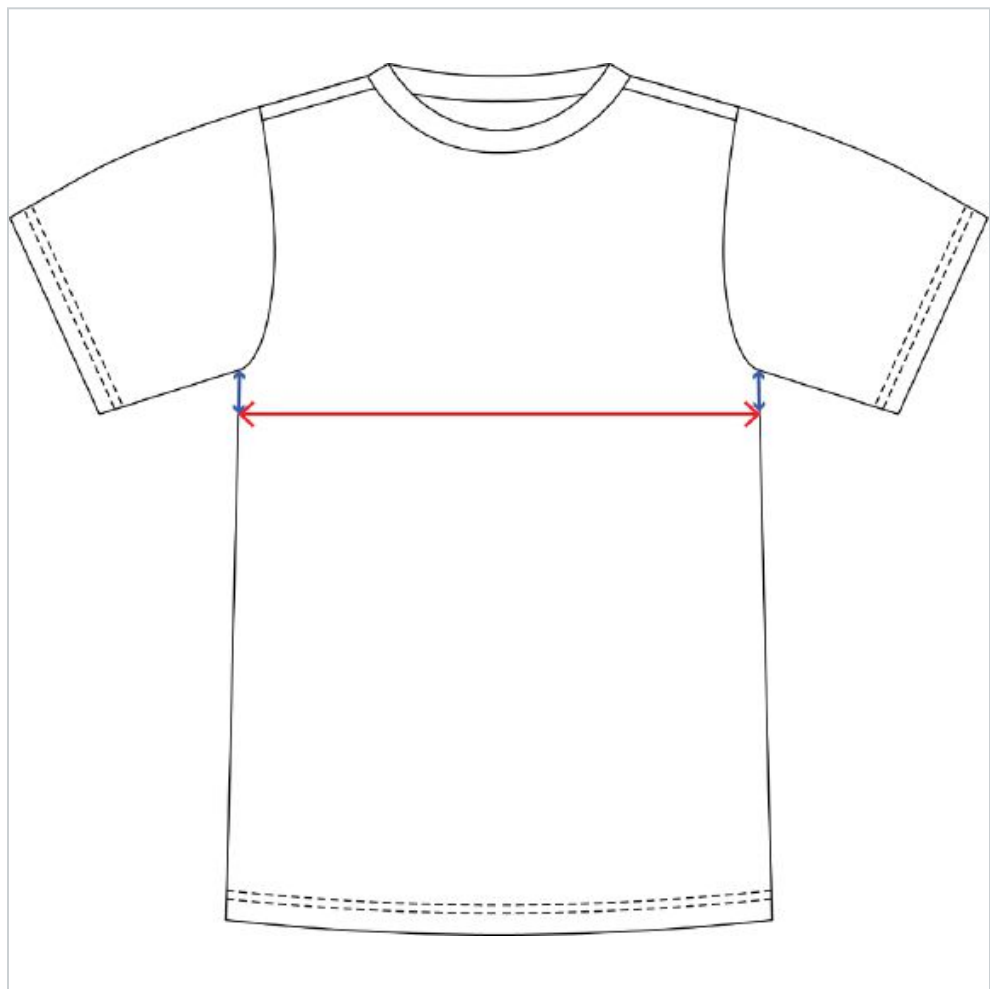

**110**  
How To Measure: Place garment with front facing up. Measure 5" down from HPS on both sides of garment for placement. Measure across garment from armhole seam to armhole seam at above position.  
Description: Across Front, 5" Down - Seam to Seam

POM Gallery

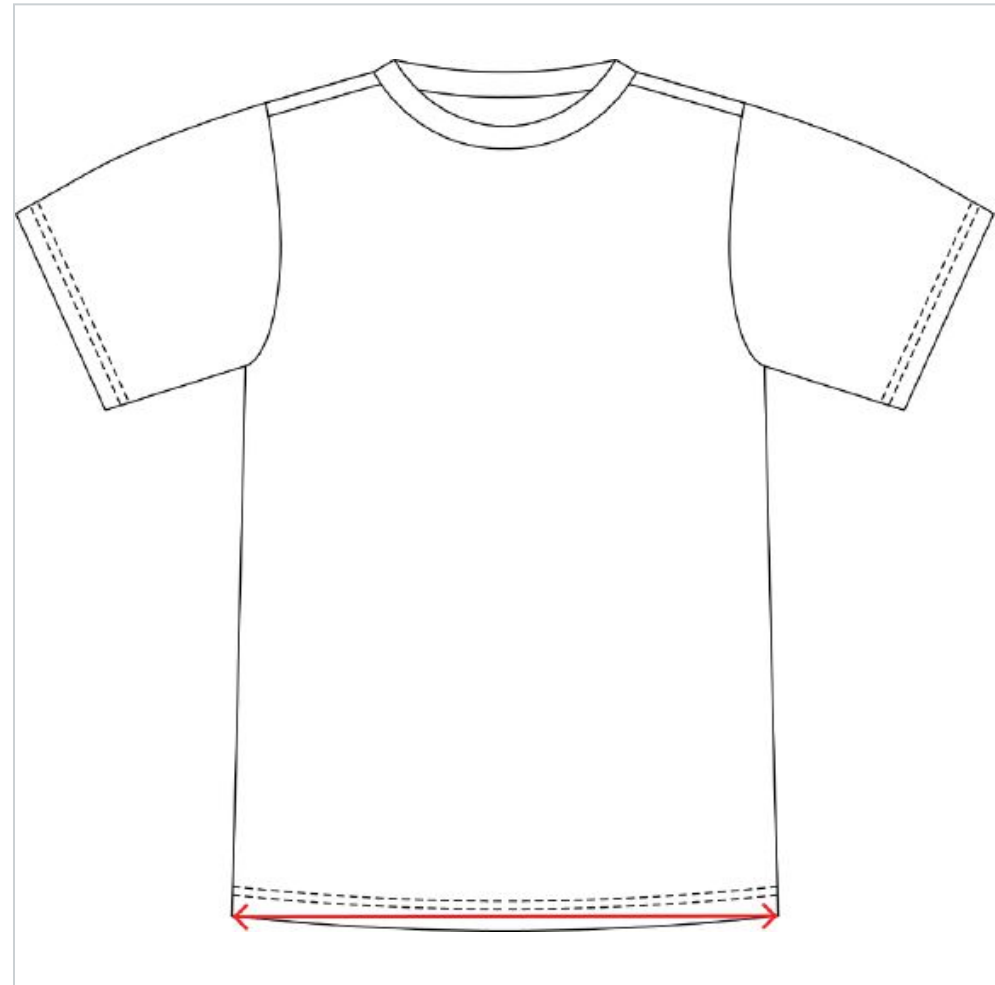

**311**  
How To Measure: Place garment with back facing up. Measure 5" down from HPS on both sides of garment for placement. Measure across garment from armhole seam to armhole seam at above position.  
Description: Across Back, 5" Down - Seam to Seam

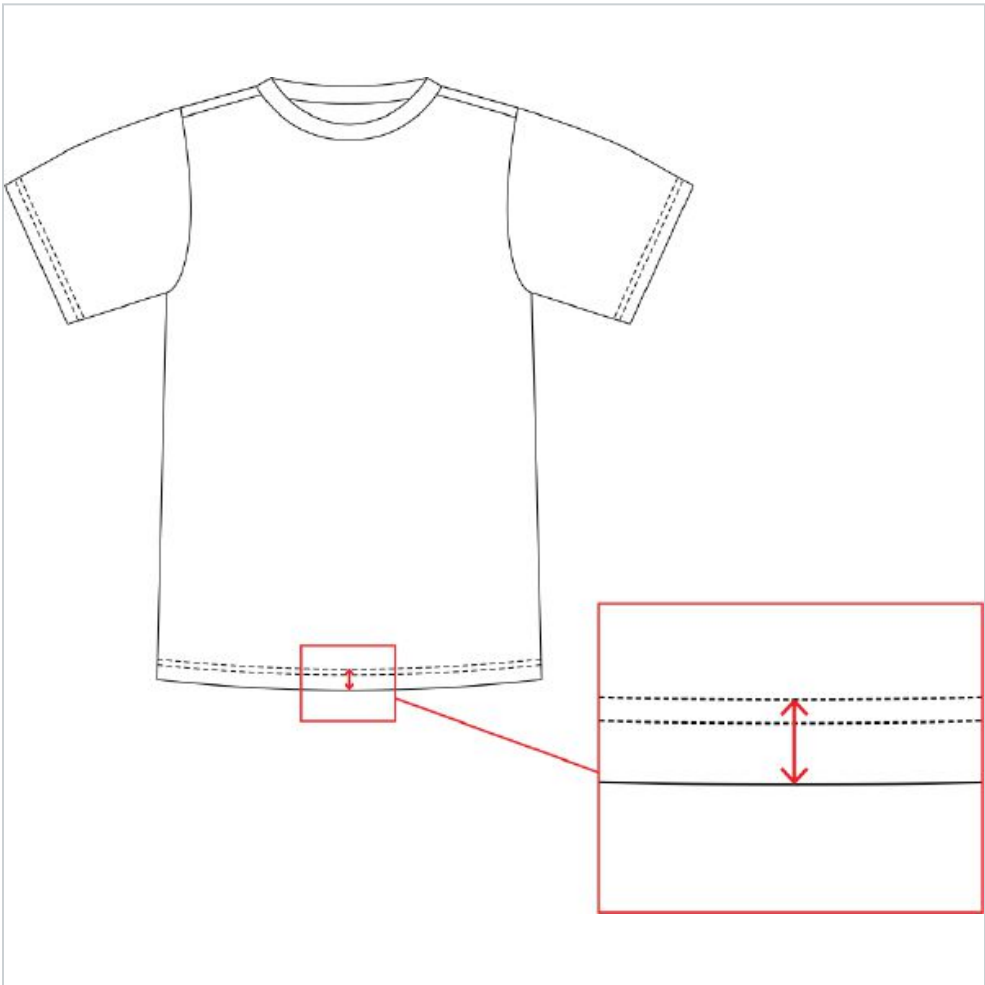

**120**  
How To Measure: Place garment with front facing up. Measure 1" down from armhole for placement. Measure across garment from side fold to side fold at above position. This is a half circumference measurement.  
Description: Chest Width - 1" below Armhole (1/2)

POM Gallery

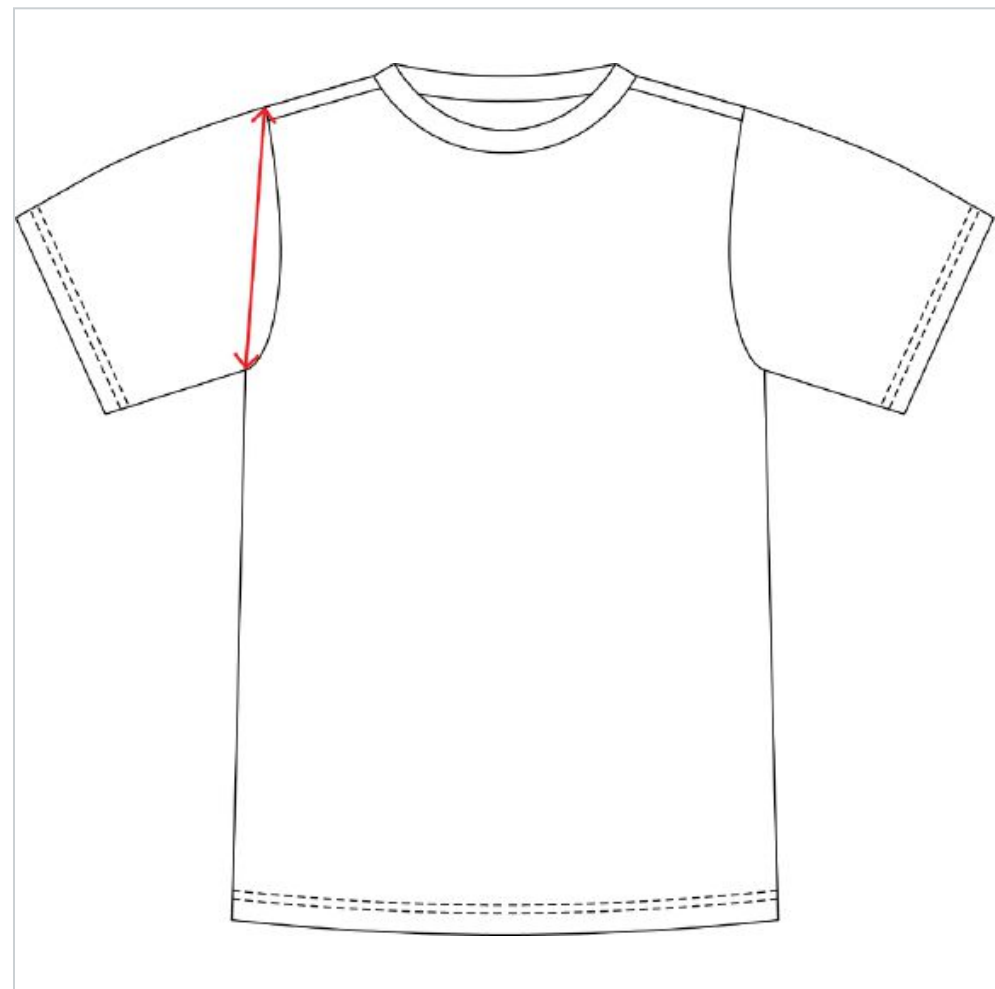

**122**  
How To Measure: Place garment with front facing up. Measure straight across garment bottom edge from side fold to side fold. This is a half circumference measurement.  
Description: Bottom Width - Sweep (1/2)

**420**  
How To Measure: Measure from the bottom hem edge to the top of hem topstitching.  
Description: Hem Height

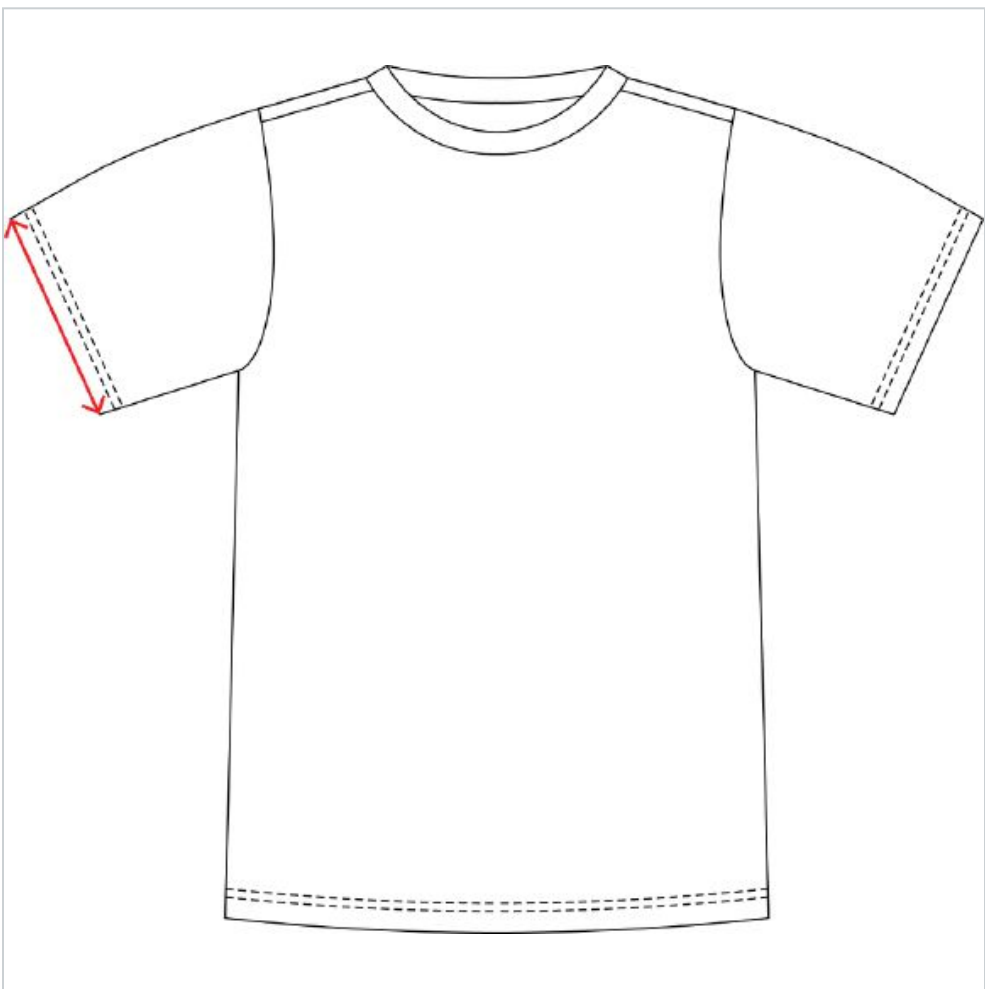

POM Gallery

220

How To Measure: Place garment with front facing up. Smooth garment so that armhole on body lays completely flat and armhole shape shows true curve. Sleeve will not lay flat in order to achieve a flat armhole. Measure straight from top fold at armhole seam to underarm fold at side seam.

Description: Armhole Straight

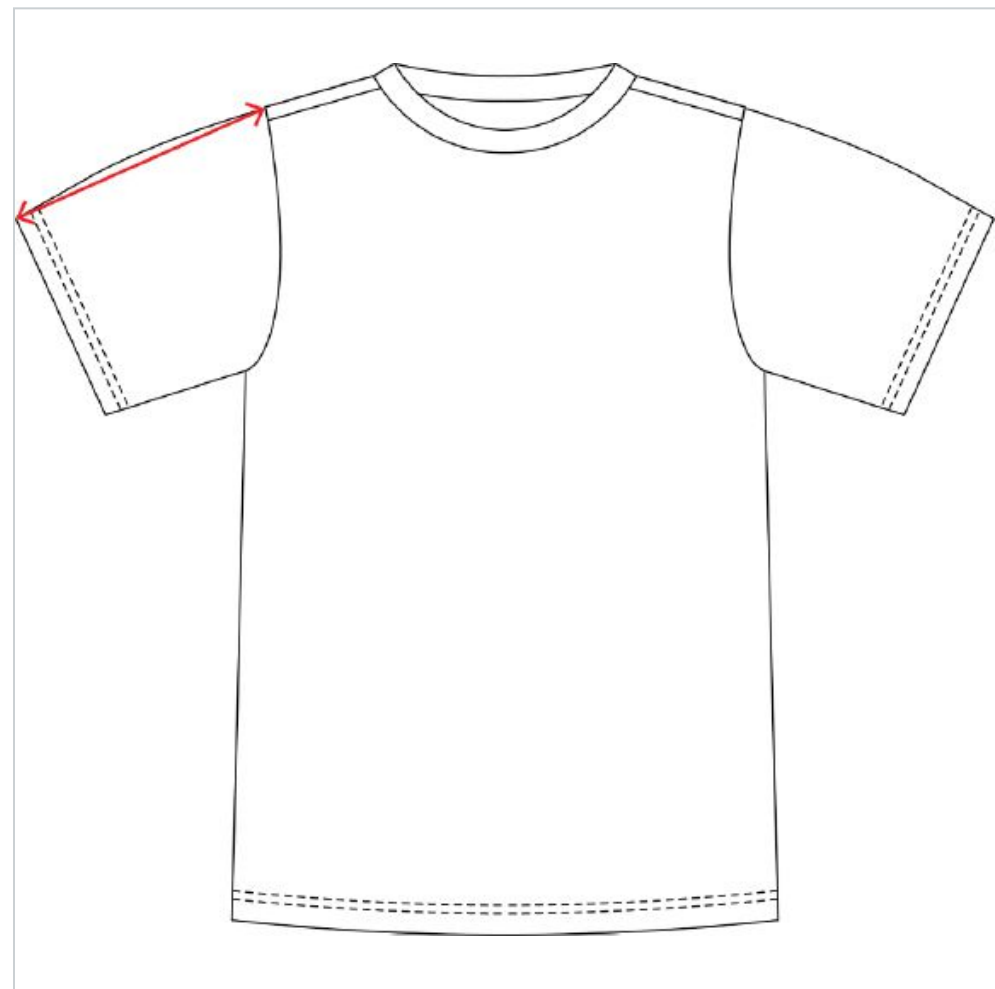

224S

How To Measure: Place garment with front facing up. Measure straight across sleeve bottom edge from side fold to side fold. This is a half circumference measurement.

Description: Sleeve Opening - Short Sleeve (1/2)

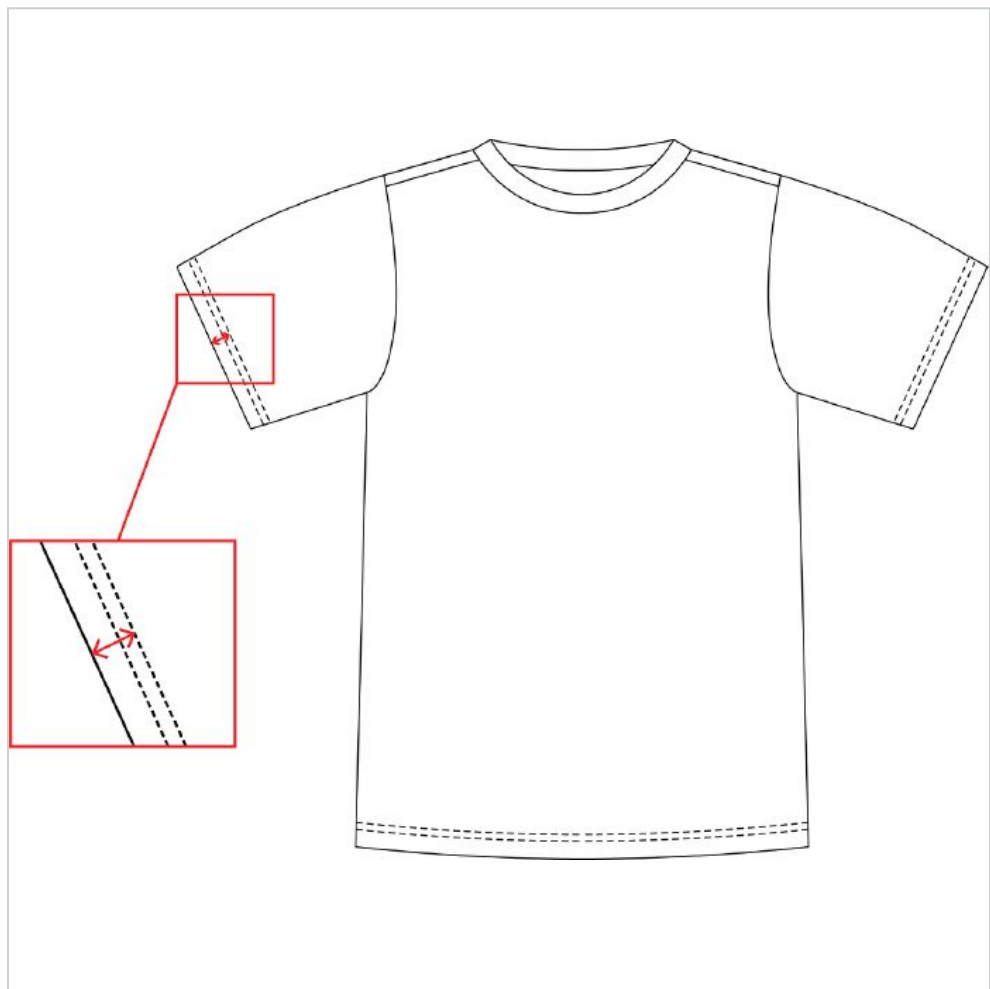

POM Gallery

225S

How To Measure: Place garment with front facing up. Measure from armhole seam at shoulder to sleeve bottom edge.

Description: Sleeve Length from Shoulder - Short

421

How To Measure: Measure from the sleeve hem edge to the top of hem topstitching.

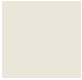

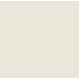

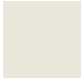

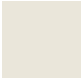

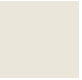

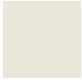

Description: Sleeve Hem Height
